

Dear Friends,

Since 2003, volunteers and supporters of DJs for PJs have come together to help us collect more than 87,000 pairs of new pajamas for children in need. In turn, our organization has been able to support, year after year, several dozen charities with their PJ needs. What started as a one-time event turned into an official Leadership Las Vegas Class of 2003 annual event, one that the class vowed would endure for 10 years. We are proud to have surpassed that 10-year commitment to our Valley.

After 13 years of managing DJs for PJs, we are taking a hiatus to reimagine and reinvent DJs for PJs, looking at every aspect of how we can follow the dream of collecting new pairs of PJs for children in need, but do so more effectively, possibly enabling us to help even more charities along the way. Therefore, with this letter, we are alerting our community as early as we could that we will not be able to hold a 2016 pajama event. Nonetheless, the impact we have been able to make with the PJs has been significant, but it has gotten us thinking about "what's next?"

We welcome you to visit our "Get Involved" page at djsforpjs.org to learn how to continue to support our cause. To our volunteers and supporters, you have always been a tremendous help and so fun to work with, you will be missed!

Best regards,
